Website: www.rehabeducators.org

Dear Student:

I hope your semester is going well!

Hi, I am Leslie M. Santos. I am in my 3rd year, as a doctoral student at the University of Iowa. I am very excited and honored to be the 2011-2013 NCRE student representative.

NCRE is a professional organization of educators dedicated to quality services for persons with disabilities through education and research. NCRE advocates up-to-date education and training in the field of rehabilitation, and to provide students in rehabilitation education the opportunity to networking and develop leadership roles.

Benefits to be a NCRE student member:

- One copy of NCRE Professional Journal, ***Rehabilitation Research, Policy, and Education*** (quarterly)
- Voting/Nomination Rights
- Reduced NCRE Conference Rates (fall and spring conference)
- NCRE Listserv and Webpage
- NCRE Membership Directory
- Council Groups

The September 2011-August 2012-membership year is now open.

Student application to include an overview on NCRE membership and a detailed description of benefits can be found at this link
<http://www.rehabeducators.org/membership.html>

Through the website you will be able to become a member with the new online system or print the MS doc file and mail to the administrative office. If you have any questions about payment please contact Ms. Satinder Atwal at info@rehabeducators.org

To help develop your professional skills and knowledge in the field it is important to networking, make yourself visible, participate in conference and. or meetings and keep yourself updated with contemporary issues in the profession.

If you have any question please feel free to contact me at leslie-santos@uiowa.edu
